SUMMARY

I am a software developer with three years of experience as a firefighter. I have strong creative, problem-solving, and communication skills. I am a team player with an eye for detail.

EDUCATION

SECONDARY SCHOOL

Truckee High School | **2013-2017**

HIGHER EDUCATION

California Polytechnic State University | **17 units**

Sierra College | **14 units**

Butte College | **28.5 units and Firefighter 1 Certificate**

REMSA | **Advanced EMT Certificate**

CODING EDUCATION

Hack Reactor | **August 2024 (8 weeks)**

- I was in the top of my class for the duration of my time in the part-time bootcamp.
- From this program, I gained experience in paired programming, individual coding, and debugging.
- I am proficient with JavaScript and TypeScript and I have experience with HTML and CSS.
- The part-time program was cancelled in October of 2023.
- Although my program ended, I was determined to educate myself and gain the skills necessary to become a desired software developer.
