I am a software developer with three years of experience as a firefighter. I have strong creative, problem-solving, and communication skills. I am a team player with an eye for detail.

EDUCATION

SECONDARY SCHOOL

Truckee High School | 2013-2017

HIGHER EDUCATION

California Polytechnic State University - San Luis Obispo 17 units

Sierra College | 14 units

Butte College | 28.5 units and Firefighter 1 Certificate

REMSA | Advanced EMT Certificate

CODING EDUCATION

Hack Reactor | August 2024

- I was in the top of my class for the duration of the bootcamp.
- From this program, I gained experience in paired programming, individual coding, and debugging.
- Since my program ended, I have been determined to educate myself and gain the skills necessary to become a desired software
- I am proficient with JavaScript and TypeScript and I have experience with HTML and CSS.
